6. There is a British toll gate on either side of the British portion of the Nerkalgud-Kodlipet-Hangarahad road and a proposal of the Hassan Dt Board to establish corresponding toll gates in the Mysore frontier is before the Darbar.

7 The local authorities have recently established a toll gate on the Vangerahalli-Kodlipetta road, their portion of which is called Samvarsande Chengodalli road. As people going to Subramanyam have to take this road, a good income might be expected, if a corresponding toll gate is established

The Residency have replied to a reference from this office that the Local Board would be advised to close one of their toll gates & have called for the views of the Darbar. The matter is pending with the Hassan Dt Board

Vanjur is about 9 miles from the Coorg frontier & the toll gate, lately established by the Coorg Dt Board near Chengadahalli, is marked in blue pencil in the enclosed sketch.

Vanjur Mallipatna road is one of the 9 frontier & 7 roads on which the proposal to establish toll gates was dropped in 1902 at a stage when the file was to have gone to the Council ~~for sanction~~ probably owing to the objection taken by the Residency to the establishment of new toll gates.
